MESSAGE FROM KEVIN SINFIELD MBE

Throughout my career whilst playing for England the fantastic support always really spurred us on as a group. All the boys always talked about the amazing crowd support and how incredible it is to play in front of packed stadiums.

It is always an unbelievable feeling to have passionate and knowledgeable fans behind us. To capture some of that support at grounds across the RLWC2017 next year when we are playing on foreign soil would be a major bonus.

For those of you who make the long journey, your efforts will certainly be appreciated by the team and they are looking forward to meeting you on some of the exciting inclusions within these Exclusive Official Tours.

In return for your support, the lads are determined to give everything they have to try and bring the trophy home.

We look forward to seeing you there.
